YESI MEZA

BACKEND SOFTWARE ENGINEER

in/yesimeza   720-296-0678   yesi.meza10@gmail.com   github.com/Yesi-MC

SUMMARY:

I am a software developer and have experience with **TDD, OOP** and Version Control. I have a background in customer service, property management, and education. I have a track record of moving up in roles quickly and becoming a core member of any team I am on. I am looking for a role that will allow me to make a positive impact through software development.

SKILLS:

LANGUAGES/ FRAMEWORKS	SYSTEMS/ PRACTICES	TESTING
Ruby	TDD/BDD	RSpec
Rails	MVC	Minitest
Active Record	OOP	Capybara
SQL/Postgresql	Git/Github	Webmock
HTML/ERB	API	VCR
CSS	Development	Launchy
Bootstrap	Pair	Travis CI
Sinatra	Programming	

EDUCATION:

Turing School of Software & Design

Backend Engineering Program, 2021

Metropolitan State University of Denver

BA in Women Studies, 2016

PROJECTS :

LITTLE ESTY SHOP

Github - https://github.com/Yesi-MC/little_esty_shop_bulk_discounts
Deployed- https://little-esty-shop.herokuapp.com/

- An Ecommerce application that works with CSV files to create large relational databases. Has CRUD functionality for the merchants and admin users.
- Implements a bulk discount feature for merchants items using relational deatabse logic.

VIEWING PARTY

Github - https://github.com/Yesi-MC/night_writer
Deployed- https://fun-movie-night.herokuapp.com/

- A **Rails app** that consumes multiple **RESTful API** endpoints. This app allows users to create an account and host a viewing party by inviting friends for a given movie of their choice.

SWEATER WEATHER

Github - https://github.com/Yesi-MC/sweater-weather

- A backend **Rails** app that serves JSON responses and uses three external **API**'s to give to the frontend.
- This app allows users to create a road trip where the user can see current and forecasted weather for their destination.

CAREER SUMMARY:

IBOTTA

Customer Care Agent | June 2019 - July 2020

- Problem solve by reviewing Ibotta systems and customer accounts through Zendesk.

- Work through account information, notes & customer emails to investigate any issues or pain points within the Ibotta app.

REGENCY STUDENT HOUSING

Leasing & Marketing Manager | Oct. 2016 - Feb. 2019

- Managed the leasing process for over 1,000 student residents and maintained ongoing communication with the residents and their parents.

- Effectively lead a team of 4 student interns that helped with the implementation of our yearly marketing and action plan.
