EMPLOYMENT HISTORY

Precision Nutrition – Director of Exercise Systems, Curriculum Writer – 2013 – 2022
Coach, curriculum writer, and exercise specialist. Precision Nutrition is the world's largest online coaching company, with certifications and coaching programs.

Building the Elite, LLC – Co-owner – 2019 – Present
Co-author of *Building the Elite: The Complete Guide to Building Resilient Special Operators*, a 544-page textbook detailing a system-based approach to training special operations personnel. Co-founder of the company providing coaching, mentoring, and education to active and prospective special operators and their organizations.

Cipher Skin, Inc – Co-founder – 2015 – 2020
Co-founded a Denver-based company building wearable biomedical monitoring devices capable of 3D motion capture alongside simultaneous biometrics. Co-authored multiple patents upon which the technology is based. Raised millions of dollars in funding, including a 1.5M grant from USSOCOM. Exited in 2020.

M3 Forensics, Consultant - 2012 – Present
Consultancy role involving research and instruction for government organizations, primarily in the field of detecting deception and human intelligence operations. Published in the Journal of Strategic Security for related research on a paper titled *Efficacy of Modified Cognitive Interviewing, Compared to Human Judgements in Detecting Deception Related to Bio-threat Activities.* https://scholarcommons.usf.edu/jss/vol6/iss3/9

Ethos Colorado – Co-Founder, 2012 – 2022
Sports performance facility based in Denver focused on special operations prep training, MMA athletes, and backcountry athletes.

Triple Canopy - Baghdad, Iraq – 2011 - 2012
Worldwide Protective Services TO-5 Personal Security Specialist - February 2011 - July 2012
Assigned as an individual protective detail member tasked with protecting diplomatic and distinguished visitors in high-threat areas throughout Baghdad.

Down Range LLC – Juba, Southern Sudan - 2011
Lead Riverine Operations Instructor/Mentor Jan 2011 – Mar 2011
Assigned as an instructor in support of a Department of State/Government of Southern Sudan training tasking order in support of the Sudanese People's Liberation Army (SPLA) Riverine Operation Unit. Provided instruction on Maritime Law and Security Operations to the host country nations military and security force personnel.

Barefoot Fitness – Founder, 2008 – Present
Fitness facility based on principles developed in special operations, with two facilities in operation in South Dakota.

United States Navy SWCC – 2002 - 2008
Deployed to four different continents as part of a maritime special operations unit. Roles ranged from advanced communications specialist to trauma medic. Trained host-nation special operators in skills ranging from weapons handling to emergency medicine and worked with foreign military personnel in numerous joint operations.
